Operations and pricing professional with 5+ years of hands-on manufacturing and costing experience. Former business owner with a design background, blending operational efficiency, cost control, and product insight.

EXPERIENCE

Pioneer Tyre Trading – Siliguri, India

June 2020 - December 2025

Co-Owner / Operations Manager

- Led end-to-end operations of a tyre retreading manufacturing unit, overseeing production, procurement, logistics and quality control.
- Managed operations across a factory and two retail showrooms, aligning production with sales demand. Handled product costing, pricing decisions, vendor negotiations, and inventory planning to maintain profitability.
- Supervised workforce scheduling, daily operations, and on-time order fulfillment.
- Supported business expansion through process improvements and operational restructuring.

Tritan Leather Works Pvt. Ltd. – Chennai, India

May 2019- June 2020

Designer / Production & Vendor Coordination

- Design Team Member at Tritan, leading end-to-end product development for handbags and SLGs. Experienced in tech pack allocation, and optimizing production efficiency.
- Supported production planning, vendor coordination, and cost control for handbags and small leather goods.
- Worked closely with suppliers and factories to meet quality, delivery, and cost targets.

Early Career Experience

2015-2019

Design & Production Internships – KH Exports | Ramjee Leathers | Bellaura Crafts

- Gained exposure to manufacturing workflows, vendor management, material sourcing, and cost considerations.
